

To all
our Brothers in Local 35
In all the
Locals Thank you
so very much for
thinking of me
and my Family as I
go through this Battle
of Cancer your selfless
kindness and generous
gift that you gave
to me and my Family.
You guys are the
Best Group of Brothers
I could ever ask for
I will use that
money for medical expenses.

Sept 2nd 2021

You guys have
always been there
for me and I will
never forget this (EVER)

...and you deserve
a great big
thank you!

Thanks Again
I will keep fighting
this cancer
and with your prayers
I will beat this.
Love you ALL
