

# Talent Pipeline Challenge

Help IBEW meet its goal of 10,000 EVITP-credentialed electricians to build out the country's electric vehicle charging system.

## Get your EVITP credentials. There are two options:

### ENROLL THROUGH JATC/ETA:

- 1 Contact your local training center
- 2 Course may be: 100% self-directed online, 100% in-person at the JATC, or a hybrid.
- 3 Post-course exam, In-person at JATC

### ENROLL THROUGH EVITP WEBSITE:

- 1 Go to <https://evitp.org/training/>
- 2 Click on "Apply for Training" : Select State, Complete application
- 3 Upon verification of credentials, complete payment (\$275) and receive course link
- 4 Complete EVITP online course
- 5 Schedule your EVITP post-course exam (available online in August 2022)

## Electric Vehicle Infrastructure Training Program (EVITP)

EVITP is a 20-hour course for journey-level wiremen, available at JATC training centers and online. Find out more at [evitp.org](http://evitp.org)
